EXHIBIT 1
RESOLUTION NO. 2021- xx

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA URGING THE USE OF MAJOR ROADWAYS IN THE REDISTRICTING PROCESS FOR THE BROWARD COUNTY COMMISSION TO MAINTAIN A GREATER DEGREE OF REPRESENTATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Broward County is redrawing County Commission districts to accommodate population shifts shown in the 2020 U.S. Census; and

WHEREAS, Fair District Standards adopted in 2018 require districts to not be drawn to favor or disfavor any political party or incumbent, should protect minority racial or language populations, be contiguous, as compact as possible, respect existing geographic and community boundaries as much as possible, and be as equal in population as practicable; and

WHEREAS, in considering whether to follow municipal or main roadway and other geographic boundaries, the City of Hallandale Beach recognizes that municipalities can incorporate a number of varied and diverse communities that often have varied interests and concerns; and

WHEREAS, exclusive or primary use of municipal boundaries to redistrict would negatively impact representation for all communities by drowning out interests of communities united in concerns not affecting other parts of their municipality; and

WHEREAS, representation of concerns shared in common throughout municipalities is already achieved through municipal elected officials and their ability to amplify the common concerns of their residents; and

WHEREAS, the Mayor and City Commission believe that it is in the best interest of the residents of the City of Hallandale Beach to urge Broward County to utilize major roadways and other geographic boundaries to maximize representation for all communities in the redistricting process.
