## Cemetery Services

The Hallandale Beach Cemetery is located at 801 Northwest 6th Avenue. Visitation hours are from sunrise to sunset. The City has pre-installed niches for cremation remains in either single or double companion size. The niche structure has been constructed with durable and attractive granite covers on which a bronze marker will be placed.

Pre-need and burial services are provided through the Finance and the Public Works Departments. Burial services are offered for both residents and non-residents of Hallandale Beach, Monday through Saturday. Burial is available in pre-installed below-ground single or double vaults and in niches for cremation remains.

Areas have been set aside for burial of infants and small children. A reduced fee schedule has been created for infants under one year of age, which provides limited setup services. Pre-need sales agreements are available to purchase burial rights, in-ground vault and perpetual care. Payments may be arranged on a monthly basis over a period of several years thereby lessening the financial impact at the time of need.

Total payment for funeral arrangements MUST be received by the City forty-eight (48) hours in advance of a proposed burial (by 3:00 pm) BEFORE ANY PREPARATION OF A GRAVE SITE MAY BEGIN.

The City's Administrative Offices are closed on Fridays. Therefore, payment for a burial scheduled for Saturday, Monday or Tuesday must be received on Wednesday by 3:00 pm.

For your convenience, payments may be made online. Click on the link to obtain information on how to [register for online payment](#).
