Through our unrivaled touchpoints and innovative solutions, we're **creating better health, together**.

This renewal includes the following exhibits and changes:

Outlined below are highlights of the changes to your plan(s) and the information presented in the renewal package.

• **Proposed Rates**

- The cost to operate your current medical plan(s) will increase by 10.20 percent.
- Additional Bundle up Discounts may be available if you purchase additional coverages with us.

• **Medical Programs and Services and Allowances**

- CVS Health Virtual Care™ and/or CVS Health Virtual Primary Care™ are included as part of your plan where available.
- Our Aetna Enhanced Maternity Program has been renamed to Aetna Healthy Chapters™ to reflect the program's evolution into a more inclusive reproductive health program. Aetna Healthy Chapters™ will continue to support members on their maternity journey and add support for individuals across the full spectrum of reproductive health.

• **Caveats**

For the best implementation experience, please notify your Account Team of changes to your plan design, programs and services no later than August 1, 2026. Some programs and services require additional notification prior to effective date for successful implementation. Please discuss with your Account Team for program specific implementation lead times. We will strive to implement these changes on a timely basis.

Your insured renewal package remains in effect until September 30, 2027.

If there are no changes impacting this renewal as outlined in your Caveats, the rates will remain in effect through September 30, 2027. This renewal package beginning with the Proposed Rates is considered an amendment to your existing policy. Continuance of your benefit plan and payment of rates constitutes acceptance of this renewal. Please contact your Account Manager by July 1, 2026 to ensure they are able to address your questions prior to implementing your renewal.
