A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA AUTHORIZING CONTINUING SERVICE AGREEMENTS TO BE AWARDED IN ACCORDANCE WITH THE CONSULTANTS COMPETITIVE NEGOTIATION ACT; AUTHORIZING THE CITY MANAGER TO EXECUTE ALL RELATED DOCUMENTS; AND PROVIDING AN EFFECTIVE DATE.

IN CONSIDERATION of the mutual terms, conditions, promises, covenants, and payments hereinafter set forth, CITY and CONSULTANT agree as follows:

ARTICLE 1

DEFINITIONS

"City's Project Manager" means the City's representative duly authorized by the City Manager to provide direction to the Consultant regarding services provided pursuant to the RFP and the Agreement.

"Consultant" means the individual(s) or Firm(s) to whom the award is made and who executes the Agreement and future Work Authorizations.

"Notice to Proceed" means the written notice given by the City to the Consultant of the date and time for work to start.

"Sub-contractor or Sub-consultant" Any person or business entity employed to perform part of a contractual obligation under the control of the Consultant. Any supplier, distribution, vendor, or Firm that furnishes, supplies, or services to the Consultant.

"Project" means a temporary endeavor designed to produce a unique product, service or result with a defined beginning and end (usually time-constrained), and often constrained by funding or deliverables undertaken to meet unique goals and objectives, typically to bring about beneficial change or added value. A Project may include providing comprehensive research, study, analysis and related administrative services on a project specific basis. Those comprehensive project specific services may include conducting and preparing documentation studies, investigations, and assessments. These activities may include general investigative or exploratory reports concerning sites, buildings, infrastructure and other facilities or portions thereof; feasibility studies; existing facility and site documentation; budget development and forecasting; design and construction market analysis; facility assessments and evaluations; alternative site selection analysis; schedule development and analysis; building and zoning code analysis and investigations; bid/award analysis; negotiation support; inspections; testing and analysis; post-occupancy evaluations and studies; forensic studies; independent claims support and other similar miscellaneous study activities. Consultant(s) shall provide all

architectural, engineering, landscape architectural, interior design or specialty support (through either in-house or subconsultant firms) as required to complete an assigned report or study activity. Project specific services may also include project team facilitation and support; project status reporting and performance/compliance reporting. A project may include providing assistance in development of Building Information Modeling (BIM) graphics and data for City buildings; assistance in the development of SIM-related data structures for inter-departmental use by the City; condition documentation and measured drawings of existing facilities; programming, site assessments and associated pre-design services for City facility needs; facilitation of meetings concerning facility needs, budgeting, scheduling, providing independent analysis of design and construction issues, facilitating value engineering sessions and providing related recommendation reports; and providing independent claims analysis. Consultant may be tasked to provide computer-aided and manually generated graphics support; preparation of narratives and other textual project/program support; photographic and video-graphic project/program support; geographic information systems (GIS) support; and other data and information system project/program support. Project specific services may also include project team facilitation and support; project status reporting and performance/compliance reporting.

“Work Authorization” means the documents issued pursuant to this Agreement, referencing an agreed upon scope of work, payment, schedule, deliverables and other project requirements established by the City’s Project Manager. A Work Authorization Form shall be issued for joint execution as more fully described in Article 4. A draft Work Authorization was included in the solicitation as Exhibit C for informational purposes only. The Work Authorization form is subject to change.

ARTICLE 2

TERM

1. The term of this Agreement is from December 15, 2020 to TBD.
2. At the **August 5, 2020** City Commission meeting the City Commission adopted **Resolution No. 2020-054** awarding through **RFP # FY 2018-2019-012 CONSULTANT COMPETITIVE NEGOTIATION ACT (CCNA) CONTINUING PROFESSIONAL ARCHITECTURAL AND ENGINEERING SERVICES AND OTHER SERVICES.**

ARTICLE 3

SCOPE OF SERVICES TO BE PROVIDED TO THE CITY

3.1 The services to be provided include the scope of work in **RFP # FY 2018-2019-012 CONSULTANT COMPETITIVE NEGOTIATION ACT (CCNA) CONTINUING PROFESSIONAL ARCHITECTURAL AND ENGINEERING SERVICES AND OTHER SERVICES**, which is hereby incorporated and made part of this Agreement by reference and the Proposal submitted by CONSULTANT, which is hereby incorporated and made part of this Agreement by reference.

3.2 Consultant's specific project services shall be agreed upon in a written Work Authorization, with an individual Scope of Services for each Project to be developed by Consultant and City's Project Manager. Consultant shall provide all services including all necessary, incidental, and related activities and services required by the Work Authorization and contemplated in Consultant's level of effort.

3.3 The Scope of Services for a Work Authorization does not delineate every detail and minor work task required to be performed by Consultant to complete the Project. If, during the course of the performance of the services included in the Work Authorization, Consultant determines that work should be performed to complete the Project which is in Consultant's opinion outside the level of effort originally anticipated, whether or not the Scope of Services identifies the work items, Consultant shall notify the City's Project Manager in writing in a timely manner before proceeding with the work. If Consultant proceeds with said work without notifying the City's Project Manager, said work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Services. Notice to the City's Project Manager does not constitute authorization or approval by City to Consultant to perform the work. Performance of work by Consultant outside the originally anticipated level of effort without prior written City approval is at Consultant's sole risk.

3.4 Consultant agrees to meet with City at reasonable times after reasonable notice.

3.5 Consultant acknowledges that it is aware of all the duties and responsibilities and agrees to perform such duties and responsibilities as set forth in the RFP, the City's Agreement, and the City's Work Authorization.

3.6 Notwithstanding any other remedy otherwise available to City, where the work product of Consultant is found to be deficient for the purpose for which it was produced, Consultant shall correct the deficiency at no cost to City.

3.7 Consultant shall pay its subconsultants, subcontractors, and suppliers, within fifteen (15) days following receipt of payment from City for such subcontracted work or supplies. Consultant agrees that if it withholds an amount as retainage from subconsultants, subcontractors, or suppliers that it will release such retainage and pay same within fifteen (15) days following receipt of payment of retained amounts from City. The City may, at its option, increase allowable retainage or withhold progress payments unless and until Consultant demonstrates timely payments of sums due to all Subcontractors and suppliers.

ARTICLE 4
WORK AUTHORIZATION

4.1 All work to be performed by Consultant pursuant to the terms of the Agreement shall first be authorized in writing by a Work Authorization, Exhibit C, in accordance with the requirements of this Article.
