Please tell us about yourself (education, profession, personal accomplishments, honors received, hobbies), list your experience relevant to the Board(s)/Committee(s) you are applying for, and provide a brief statement outlining why you wish to serve on the Board(s)/Committee(s) you have selected above.

My background is in accounting and forensic financial analysis, where I evaluate complex data, assess impacts, and support decision-making for high-stakes matters. I want to apply that skill set to boards where objective evaluation and long-term planning matter.

For Parks & Recreation, I'm interested in improving accessibility, usability, and equitable resource allocation across the city's facilities.

For the Transportation, Traffic & Parking Advisory Board, I can contribute a data-driven approach to congestion issues, parking efficiency, and safety considerations. I live in Hallandale Beach, I understand the constraints residents deal with daily, and I want to bring disciplined analysis and practical solutions to both areas.
