

Contract 553

Name: Annual Sewer Repair and Replacement

Description: The City of Fort Lauderdale, Florida (City) is seeking bids from qualified bidders, hereinafter referred to as the Contractor, to provide construction point repairs services for the City's Public Works Department, in accordance with the terms, conditions, and specifications contained in this Invitation To Bid (ITB).

This project is located City-wide, in the City of Fort Lauderdale. The work to be accomplished under this contract includes, but is not limited to, water and sewer construction, stormwater construction, and various restoration services.

Licensing Requirements: Contractor must possess a certified general contractor license OR a certified underground utility and excavation contractor license issued by the Florida Department of Business and Professional Regulation. Contractor must have proper licensing prior to submitting bid and must submit evidence of same with bid. Contractor must have a minimum of 5-years of experience working with annual sewer repair contracts. Contractor must have a minimal of (3) three active annual contracts within the last 5-years.

The initial contract term shall be Two (2) years. The City reserves the right to extend the contract for Two (2) additional One (1) year term.

NOTE: Payment on this contract will be made by Visa or MasterCard
