SHORT TITLE:

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE GOLDEN ISLES SAFE NEIGHBORHOOD DISTRICT, ESTABLISHING THE PROPOSED MILLAGE RATE FOR FISCAL YEAR 2025-2026 AND SETTING THE DATE, TIME, AND PLACE OF PUBLIC HEARINGS TO CONSIDER THE PROPOSED MILLAGE RATE AND PROPOSED BUDGET; AND PROVIDING FOR AN EFFECTIVE DATE.

STAFF SUMMARY:

Summary:

This agenda memorandum is to set the millage rate and the dates and times for the public hearings in September 2025 to adopt the FY 2025-26 Golden Isles Safe Neighborhood Districts' millage rate and budget.

Background:

During the June 26, 2024, Golden Isles Safe Neighborhood District Board of Directors meeting, the Board of Directors set the proposed millage rate for the Golden Isles Safe Neighborhood District for FY 24/25 at 1.0934 mills and authorized the City Manager to sign the Certification of Taxable Value and advise the appropriate agencies on the proposed millage rate. Two Public Hearings were held to adopt the budget. At the second Public Hearing for final millage/budget adoption held on September 25, 2024, the Board of Directors adopted a final millage rate of 1.0934 mills for FY 24/25.

Current Situation:

The Broward County Property Appraiser's Office (BCPA) has submitted its June 1, 2025 Certified Property Value. The rolled-back millage will be 0.9935 when extended upon the current year's adjusted taxable value of \$629,767,954. Gross taxable value is \$640,668,484 with a net new taxable value increase of \$10,900,530. The District's gross taxable value had an increase of \$68,443,854 (or 11.96%) from \$572,224,630 in 2024, to \$640,668,484 in 2025. This taxable value increase, when calculated at the District's current millage rate of 1.0934, amounts to an increase of \$74,837 in tax revenue from the prior year.

The District's current millage rate is 1.0934. The proposed millage rate staff recommends providing to the County is the current rate of 1.0934. Note that in the past it has been the practice of the District to set the proposed millage rate higher than the rolled-back rate to provide the flexibility for financial adjustments should they be needed as once the District sets its proposed millage rate, it cannot go above that rate without re-advertising. It should be noted that the City Manager Recommended Budget is predicated on utilizing the 1.0934 millage rate.

The date of the first public hearing, by law, must be set between September 12, 2025 and September 26, 2025. Further, the public hearing cannot conflict with either the County or the School Board's budget hearings. The County has set its first public hearing for September 4, 2025 and its second public hearing for September 16, 2025. The School Board will hold its hearings July 29, 2025 and September 9, 2025. Also, note the City's public hearings must be held after 5:00 p.m. Accordingly, the first public hearing for the Golden Isles Safe Neighborhood District is scheduled for September 15, 2025 at 5:05 p.m. The second public hearing to adopt the final millage rate and FY 25/26 Budget must be held two to five days after advertising the hearing and no later than October 1. In addition, the advertisement must be within 15 days from the first public hearing date. Accordingly, the second public hearing is scheduled for September 29, 2025 at 5:05 p.m.

Why Action is Necessary:

The Truth-In-Millage (TRIM) Bill legislation requires Districts to submit the Certification of Taxable Value (Form DR-420) to the County Appraiser by August 4. Districts are required to certify in this form the rolled-back millage rate, prior year millage rate, current year proposed millage rate, and the date, time, and location of the first public hearing.

Cost Benefit:

The millage rate for the district is set based on funding need.

PROPOSED ACTION:

The Golden Isles District Board of Directors to consider the attached resolution.
