(f) *Advertisements.* Notice inviting solicitations. Except for those solicitations that are required by statute to be advertised in a newspaper, notices inviting solicitations shall be published electronically. A general description of the commodities or services to be purchased, a statement of where the solicitation documents may be obtained, and the date, time and place of receipt is to be provided.

(g) *Demonstration of products.* All departments that engage firms in the demonstration, inspection and/or testing of supplies or services for which no formal solicitation has been advertised, must involve the procurement department in the demonstrations and/or testing. Where there would be an eventual solicitation for the products and/or services which have previously gone through a demonstration and/or inspection, it must be made known at the pre-bid meeting for the particular solicitation released.

~~Sec. 23-5. Formal contract procedure.~~

~~All equipment, supplies and contractual services, except as otherwise provided in this section, when the estimated cost shall exceed \$50,000.00 shall be purchased by formal, written contract from the lowest responsive, responsible bidder, after due public notice inviting proposals has been given; however, the city commission, upon request of the city manager, may waive the requirement for a formal written contract when such a contract would not be in the best interest of the city.~~

~~Sec. 23-6. Award of contract.~~

~~(a) The city manager shall have the authority to recommend to the city commission award of contracts.~~

~~(b) Contracts shall be awarded to the lowest responsive, responsible bidder, or as otherwise determined in the best interest of the city. The city commission shall not be involved in the preparation, submittal and evaluation of bids, request for proposals and other purchases, including attendance at or participating in presentations to or deliberations by a selection committee or contact with persons, firms, organizations and corporations submitting bids or proposals to the city. Following an evaluation of responses received for bids, request for proposals, and other purchases, the city manager shall have the authority to recommend to the city commission award of contracts. After placement on the agenda, the city commission reviews the city manager's recommendations and may direct any communications, inquiries or questions regarding the contract award to or through the city manager. In accordance with administrative procedures and policies, and the city's lobbying ordinance, all persons, firms, organizations and corporations seeking a procurement from the city or the award of funds for goods and services must submit a completed and notarized lobbyist registration form/oath to the city clerk's office prior to contacting a member or members of the city commission regarding a city procurement. in the lobbying ordinance before the date set for a decision on a matter, unless contacted by a city commissioner.

(c) ~~Local preference: In the award of bids and the determination of the lowest, best and responsible bidder, the city commission may award a preference based upon vendors, contractors or subcontractors who are local with a preference as follows:~~

~~Purchases and contracts within the authority of the city manager may also give consideration to local preference by application of the guidelines in this subsection.~~

(d) ~~Submittal requirements: If a nonlocal proposer submits a bid or proposal that includes subcontractors that qualify for tier 1, tier 2 or tier 3 local vendor, in order to receive local preference consideration, the proposer must identify all local vendors that will be utilized as subcontractors, and delineate for each the specific elements of work each local vendor will be responsible for performing and the dollar value of work as a percentage of the total contract value.~~

(e) ~~Conditions:~~

~~(1) A vendor/business can only qualify for one tier preference level.~~

~~(2) A vendor/business with outstanding liens, fines or violations with the city shall not be eligible to qualify for tier 1—3 status.~~

~~(3) A vendor/business that operates through a post office box shall not be eligible to qualify for tier 1—3.~~

(f) ~~Process to apply the LVP to bids:~~

~~(1) Competitive bid tier 1 local vendor preference. When a responsive, responsible nonlocal business submits the lowest price bid, and the bid submitted by the tier 1 local vendor is within ten percent of the lowest price submitted by any vendor, the tier 1 local vendor shall have an option to submit another bid to match the lowest responsive bid. If the tier 1 local vendor submits a bid that matches the lowest responsive bid, then the award will go to the tier 1 local vendor. If not, the award will be made to the vendor that submits the lowest responsive bid.~~

~~(2) Competitive bid tier 2 local vendor preference. When a responsive, responsible nonlocal business submits the lowest price bid, and the bid submitted by the tier 2 local vendor is within five percent of the lowest price submitted by any vendor, the tier 2 local vendor shall have an option to submit another bid to match the lowest responsive bid. If the tier 2 local vendor submits a bid which matches that lowest responsive bid, then the award will go to the tier 2 local vendor. If not, the award will be made to the vendor that submits the lowest responsive bid.~~

~~(3) Competitive bid tier 3 local vendor preference. When a responsive, responsible nonlocal business submits the lowest price bid, and the bid submitted by the tier 3 local vendor is within two and one-half percent of the lowest price submitted by any vendor, the tier 3 local vendor shall have an option to submit another bid to match the lowest responsive bid. If the tier 3 local vendor submits a bid which matches that lowest responsive bid, then the award will go to the tier 3 local~~

569 vendor. If not, the award will be made to the vendor that submits the lowest
570 responsive bid.

571 If there is a tier 1 local vendor and a tier 2 local vendor and a tier 3 local vendor
572 participating in the same bid solicitation and the three vendors qualify to submit a second
573 bid as detailed above, the tier 1 local vendor will be given first option.

574 If the tier 1 local vendor cannot match the lowest bid received, an opportunity will be
575 given to the tier 2 local vendor. If the tier 2 local vendor cannot match the lowest bid
576 received, then an opportunity will be given to the tier 3 local vendor. If the tier 3 local vendor
577 cannot match the lowest bid received, then the bid will be awarded to the lowest bidder
578 regardless of tier 1, tier 2 or tier 3 local vendor preference.

579 If multiple local vendors submit bids which are within ten percent of the lowest bid, then
580 all vendors will be asked to submit a "best and final offer (BAFO)." The award will be made
581 to the tier 1 local vendor submitting the lowest BAFO providing that the BAFO at least
582 matches the lowest bid received in the original solicitation. If no tier 1 local vendor can beat
583 the lowest bid by matching it, then the process will be repeated with tier 2 and tier 3 local
584 vendors who have submitted a bid which is within two and one half percent of the lowest
585 bid. If no tier 1, tier 2 or tier 3 local vendor can submit a BAFO that matches the lowest bid
586 submitted in the original solicitation, the award will be made to the lowest responsive bidder
587 regardless of the tiers.

588 (g) Application of local vendor preference for requests for proposals: When evaluation
589 points are used to evaluate through a solicitation, and when a non-local business is the
590 highest ranked proposer, and the ranking of a local firm is within ten percent of the total
591 100 ranking points, then the city may elect to negotiate with the local firm first.

592 (h) Process to apply the local vendor preference to competitive proposal: For contract
593 awards based upon evaluation criteria pursuant to a point system, there shall be a local
594 participation criterion to be included in the total 100 points to be awarded. The points
595 shall be awarded as follows:

596 (1) Tier 1 local vendor preference: If 100 percent through 50 percent of the project
597 work submitted as a response to a solicitation, which equals to 100 percent
598 through 50 percent of the project cost, will be provided and performed by a tier 1
599 local vendor then the firm will receive, through the evaluation process, a total of
600 ten points.

601 (2) Tier 2 local vendor preference: If 49 percent through 20 percent of the project work
602 submitted as a response to a solicitation, which equals to 49 percent to 20 percent
603 of the project cost, will be provided and performed by a tier 2 local vendor then the
604 firm will receive, through the evaluation process, a total of five points.

605 (3) Tier 3 local vendor preference: If 19 percent through less than five percent of the
606 project work submitted as a response to a solicitation, which equals to 19 percent
607 to less than five percent of the project cost, will be provided and performed by a
608 tier 3 local vendor then the firm will receive, through the evaluation process, a total
609 of two and one half points.

	Total Project Dollar Cost (\$) Performed	Total Points Awarded
Tier 1 Local Vendor	100% to 50%	10
Tier 2 Local Vendor	49% to 20%	5
Tier 3 Local Vendor	19% to less than 5%	2.5

The percentage of tier 1, tier 2 or tier 3 local vendor participation will be calculated by the proposer's cost and/or expenditure's provided and performed by a local tier 1, tier 2 or tier 3 local vendor subcontractor for providing direct labor or a bona fide service, the total cost of the project dollar submitted and identified in the proposal.

A proposer may count towards its local vendor preference for tier 1, tier 2 and tier 3, the fee or commissions charged for providing direct labor or a bona fide service, such as professional, technical consultant or managerial services.

(i) Request for Qualifications (RFQ) and Consultants Competitive Negotiation Act (CCNA): For contracts awarded pursuant to the Consultants Competitive Negotiation Act (CCNA) and through request for qualifications the applicability of the local vendor preference is as follows:

The percentages reflect the amount of total project work, which shall be equated to the project dollars, assigned to the tier 1, tier 2 or tier 3 local vendor. The location of qualified entities shall be considered in determining the qualification for professional service governed by the Consultants Competitive Negotiation Act and through an RFQ process.

(j) Exemptions to tier 1, tier 2 and tier 3: The city will not count toward a proposer tier 1, tier 2 or tier 3 local vendor participation any portion or portions of the local vendor subcontractor's work that is subcontracted back to as follows:

(1) The proposer either directly, or through any other company or firm owned or controlled by the proposer.

(2) Any nonlocal business.

(3) A tier 1, tier 2 or tier 3 local vendor shall not be permitted to subcontract all or a majority of the sub-contractual portion of the work to another nonlocal business. A tier 1, tier 2 or tier 3 local vendor subcontractor shall be prohibited from engaging in a sub-contractual agreement with the intent of collecting a broker's fee or commission. A tier 1, tier 2 or tier 3 local vendor subcontractor shall also be prohibited from entering into a sub-contractual agreement with a firm whose employees perform none of the direct labor or service activities specified in the contract.

(4) Participation by a tier 1, tier 2 or tier 3 local business shall not be considered and the tier 1, tier 2 or tier 3 local vendor shall be disqualified if the owner of the tier 1, tier 2 or tier 3 enters into an agreement with a nonlocal business with the intent of securing employment with that nonlocal business during the course of performing a city contract.

~~(7) All bids submitted exceed the budget amount for the project.~~

~~(8) Emergency purchases.~~

~~(9) The city manager and/or the commission may exempt any competitive solicitation from the local vendor preference.~~

~~(l) The city shall not enter into a contract with a business unless the contract includes a representation that the business is not currently engaged in, and an agreement that the business will not engage in, a boycott, as defined in this chapter.~~

~~(1) The city commission may, in its sole discretion, elect to waive the requirements under section.~~

~~Sec. 23-7. Purchases over \$25,000.00.~~

~~The city manager shall have discretion to establish guidelines for purchases over \$25,000.00 but less than \$50,000.00.~~

Sec. 23-6. Local Vendor Preference.

(a) Except as otherwise prohibited by law, certain vendors will be afforded a local vendor preference as follows:

(1) When a qualifying responsive and responsible, non-local business submits the lowest price bid, and the bid submitted by the local Hallandale Beach vendor is within five percent (5%) of that lowest price, the local Hallandale Beach vendor shall have an option to submit another bid to match the lowest responsive bid. If the local Hallandale Beach vendor submits a bid that matches the lowest responsive bid, then the award will go to the local Hallandale Beach vendor. If not, the award will be made to the vendor that submits the lowest responsive bid. This applies to ITB that includes Local Vendor Preference.

(2) If multiple local Hallandale Beach vendors submit bids that are within five percent (5%) of the lowest bid, then all local Hallandale Beach vendors will be asked to submit a "best and final offer (BAFO)." The award will be made to the local Hallandale Beach vendor submitting the lowest BAFO providing that the BAFO at least matches the lowest bid received in the original solicitation.

(c) Request For Proposals. When a qualifying responsive and responsible local Hallandale Beach vendor submits a proposal to a solicitation, the local Hallandale Beach vendor will be provided a total of five (5) points. This applies to RFPs that include Local Vendor Preference.

(d) Exceptions to applicability of local vendor preference. No local vendor preference will applied in the following situations:

(1) The City is the lead agency for the southeast Florida cooperative purchasing group.

(2) State or federal law prohibits the use of local preference.

(3) The work is funded in whole or in part by a governmental entity where the laws, rules, regulations or policies prohibit the use of local preferences.

(4) The local vendor is either non-responsive or non-responsible.

(5) All bids submitted exceed the budget amount for the project.

(6) Emergency purchases.

(7) The city manager or City Commission has determined it is not in the best interest of the City to apply local vendor preference to a solicitation.

Sec. 23-7. Insurance and Security Requirements.

(b) Security (bid bonds). When the estimated cost of a construction contract is one hundred and fifty thousand dollars (\$150,000.00) or higher, or when otherwise deemed necessary by the city manager, security in the form of a bid bond issued by a surety company licensed to do business in the state or a cash bond in an amount equal to ten percent of the bid shall be prescribed in the public notices inviting bids, as otherwise permitted by law. When the city manager deems it necessary to require a bid bond for bids less than \$150,000.00, the bond shall be in an amount equal to five percent of the bid. A vendor shall forfeit a bid security upon a refusal or failure to execute the contract within 15 calendar days of the notice of award of contract, unless the city is solely responsible for the delay in executing the contract. The city commission may, upon the refusal or failure of the successful vendor to execute the contract, award the contract to the next lowest vendor. When eligibility for county, state or federal grants requires differing security bond requirements than those enacted in this section, the requirements of this section shall be waived in favor of the requirements of the grant.

(c) Performance and payment bonds. Unless otherwise prohibited by law, a performance bond and a payment bond, or a "contract bond" combining the elements of a performance and a payment bond, issued by a surety company licensed to do business in the state, may be required before entering into a contract, in an amount at least equal to the contract price or such higher amount as may be found reasonably necessary to protect the best interests of the city except, in limited circumstances, such as incremental services contracts. If such bond is required, the form and amount of the bond shall be described in the notice and/or documentation requested. The performance and payment bond is required to ensure the completion of a project in the event of contract breach or forfeiture by the contractor.

Sec. 23-8. Cancellations of competitive solicitations.

An invitation for bids, a request for proposals, or other solicitation may be canceled, and all responses rejected, by the City Manager when it is in the best interest of the city. The reasons therefore shall be documented in the procurement file.

751 vendor has demonstrated the capability, as determined by the city, in all respects to perform
752 fully the contract requirements, and the experience, capacity, facilities, equipment, credit,
753 integrity and reliability which will ensure good faith performance.

754
755 (b) Responsiveness. Only submissions responsive to the solicitation issued by the City
756 shall be considered for award. The response must conform in all material respects to a
757 solicitation. A bid or proposal must be submitted on the required forms, containing all
758 requested information, signatures, notarizations, insurance, bonding, security, or other
759 mandated requirements required by the bid documents at time of submission.

760
761 (c) In determining the lowest responsible bid or quotation, the following shall be
762 considered, in addition to price:

771 (5) The character, integrity, reputation, judgment, experience, and efficiency of
772 the vendor;

773 (6) The quality of vendor's performance on previous orders or contracts for the
774 city;

775 (7) Litigation by the vendor on previous orders or contracts with the city;

776 (8) Compliance by the vendor with federal, state and local laws and ordinances
777 relating to the subject of the purchase or contract;

778 (9) The ability of the vendor to provide future maintenance and service where
779 such maintenance and service is essential;

780 (10) Internal cost of vendor's proposal, including any additional expenditure
781 required by the city to complete the project or purchase; and

782 (11) Life cycle costs, including costs of purchase, maintenance, and disposal, less
783 residual value over the expected life of the product.

784 (d) In the event the lowest, most responsive and responsible bid for a project exceeds
785 available funds, and the city commission does not make available additional funds, the city
786 manager is authorized, when time or economic considerations preclude re-solicitation of
787 bids, to negotiate an adjustment of the bid price as long as the scope of work is not
788 materially changed with the lowest, most responsive and responsible bidder, in order to
789 bring the bid within the amount of available funds. Final negotiations shall be in written form
790 as approved by the city manager.

(e) The City Manager may award procurements within the delegated spending authority. All other procurements, except emergency procurements, require commission approval for award.

(f) If a bid or proposal other than the lowest and most responsive bid or proposal is considered the most advantageous to the City, the commission may award a contract where it finds waiver of the provisions of this chapter to be necessary in the best interests of the city.

942 **Sec. 23-~~1113~~. Appropriations for outstanding purchase orders.**

943 A duly authorized appropriation of any given fiscal year shall continue to be a valid
944 appropriation of a subsequent fiscal year, without appropriation or inclusion in the later
945 year's budget, providing that the expenditure pursuant to such appropriation has been
946 authorized by the city commission or a properly executed purchase order is outstanding at
947 the end of the fiscal year of the original appropriation. Authority to complete such purchase
948 and expenditure is granted; and if the expenditure is not completed after a reasonable time,
949 the city manager is authorized and directed to cancel and close out the unexpended
950 balance of the appropriation.

951 **~~Sec. 23-12. Procedures for purchases in excess of \$50,000.00.~~**

952 ~~Except as otherwise provided in this division, the purchase of commodities or services~~
953 ~~of an estimated value in excess of \$50,000.00 shall be approved by the city commission~~
954 ~~and may be by purchase order and/or other written contract with the vendor submitting the~~
955 ~~lowest responsible bid whose bid has been solicited, received and approved, pursuant to~~
956 ~~the following procedures:~~

957 ~~(1) Advertisements. Notice inviting solicitations. Except of those solicitations that are~~
958 ~~required by statute to be advertised in a newspaper, notices inviting solicitations~~
959 ~~shall be published electronically. A general description of the commodities or~~
960 ~~services to be purchased, a statement of where the solicitation documents may be~~
961 ~~obtained, and the date, time and place of receipt is to be provided.~~

962 ~~(2) Security (bid bonds). When the estimated cost of a construction contract is one~~
963 ~~hundred and fifty thousand dollars (\$150,000.00) or higher, or when otherwise~~
964 ~~deemed necessary by the city manager, security in the form of a bid bond issued~~
965 ~~by a surety company licensed to do business in the state or a cash bond in an~~
966 ~~amount equal to ten percent of the bid shall be prescribed in the public notices~~
967 ~~inviting bids. When the city manager deems it necessary to require a bid bond for~~
968 ~~bids less than \$150,000.00, the bond shall be in an amount equal to five percent~~
969 ~~of the bid. A vendor shall forfeit a bid security upon a refusal or failure to execute~~
970 ~~the contract within 15 calendar days of the notice of award of contract, unless the~~
971 ~~city is solely responsible for the delay in executing the contract. The city~~
972 ~~commission may, upon the refusal or failure of the successful vendor to execute~~
973 ~~the contract, award the contract to the next lowest vendor. When eligibility for~~
974 ~~county, state or federal grants requires differing security bond requirements than~~
975 ~~those enacted in this section, the requirements of this section shall be waived in~~
976 ~~favor of the requirements of the grant.~~

977 ~~(3) Bid opening procedures. Sealed written bids shall be returned to the city and~~
978 ~~identified as bids on the envelope, together with other information as may be~~
979 ~~specified in the invitation to bid. Bids shall be opened in public on the date and at~~
980 ~~the time and place stated in the public notices as specified by Florida Statute.~~

a. ~~Reject all bids; or~~

b. ~~Reject all *bids* and re-advertise for bids, pursuant to the procedure prescribed in this section.~~

~~(5) Performance and payment bonds. A performance bond and a payment bond, or a "contract bond" combining the elements of a performance and a payment bond, issued by a surety company licensed to do business in the state, may be required before entering into a contract, in an amount at least equal to the contract price or such higher amount as may be found reasonably necessary to protect the best interests of the city except, in limited circumstances, such as incremental services contracts or blanket purchase orders, where it has been determined by the department director that the potential liability resulting from the performance or payment under the contract is an amount less than the full contract price. If such bond is required, the form and amount of the bond shall be described in the notice inviting bids. Bonds required hereunder shall be subject to all other provisions of this section and this Code.~~

~~(6) Security in lieu of performance and payment bonds. In lieu of the bond required by this section, a contractor may file with the city an alternative form of security in the form of cash, money order, certified check, cashier's check, an irrevocable letter of credit, or security of a type listed in F.S. § 625.301 et seq. Any such alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the bond required hereunder. The appropriate representative of the city as described in subsection (5) of this section shall make the determination of the value of the alternative form of security.~~

~~(7) Change orders. Any change in the contract price, scope of work or time for completion of any project following the award of a contract shall be by a written change order, approved by the city manager and executed with the same formalities as the contract. However, the city manager may approve and execute change orders without city commission approval subject to the following limitations:~~

~~a. The city manager may approve any change orders so long as the total sum of all change orders does not exceed the total amount awarded by the city commission by more than either ten percent of the contract cost or \$50,000.00, whichever is less. The scope of any project may not be changed without prior approval of the city commission. No increase in contract price shall be approved unless there are sufficient funds available for such purpose.~~

~~b. Contract price decreases may be approved without limitation.~~

~~c. No change order shall materially change the scope of the work unless approved by the city commission.~~

~~d. In the event the lowest, most responsive and responsible bid for a project exceeds available funds, and the city commission does not make available~~

1023 ~~additional funds, the city manager is authorized, when time or economic~~
1024 ~~considerations preclude re-solicitation of bids, to negotiate an adjustment of~~
1025 ~~the bid price as long as the scope of work is not materially changed with the~~
1026 ~~lowest, most responsive and responsible bidder, in order to bring the bid~~
1027 ~~within the amount of available funds. Final negotiations shall be in written~~
1028 ~~form as approved by the city manager.~~

1029 ~~(8) **Demonstration of products.** All departments that engage firms in the~~
1030 ~~demonstration, inspection and/or testing of supplies or services for which no~~
1031 ~~formal solicitation has been advertised, must involve the procurement department~~
1032 ~~in the demonstrations and/or testing. Where there would be an eventual~~
1033 ~~solicitation for the products and/or services which have previously gone through a~~
1034 ~~demonstration and/or inspection, it must be made known at the pre-bid meeting for~~
1035 ~~the particular solicitation released.~~

1037 **Sec. 23-14. Other Procurement Requirements.**

1038 (a) Unless waived by the City Commission, the city shall not enter into a contract with a
1039 business unless the contract includes a representation that the business is not currently
1040 engaged in, and an agreement that the business will not engage in, a boycott. For the
1041 purposes of this paragraph, boycott means to blacklist, divest from, or otherwise refuse to
1042 deal with a nation or country, or to blacklist or otherwise refuse to deal with a person or
1043 entity when the action is based on race, color, national origin, religion, sex, gender identity,
1044 sexual orientation, marital or familial status, age, or disability in a discriminatory manner.
1045 The term boycott does not include a decision based upon business or economic reasons, or
1046 boycotts, embargoes, trade restrictions, or divestments that are specifically authorized or
1047 required by federal law or state law.

1048 (b) **Domestic Partnership Benefits.** Contractors with five or more employees
1049 contracting with the city, in an amount valued over the delegated spending authority
1050 amount, agree to provide equal benefits to employees' spouses or domestic partners and
1051 the children of employees and their spouses or domestic partners. The requirement will be
1052 included in solicitations.

1053 (1) As part of the competitive solicitation and procurement process a contractor
1054 seeking a contract shall certify by providing the domestic partnership certification
1055 form, that upon award of a contract it will provide benefits to domestic partners of its
1056 employees on the same basis as it provides benefits to employees' spouses. The
1057 domestic partnership certification form shall be signed by an authorized officer of the
1058 contractor and submitted with the solicitation response. Failure to provide the
1059 domestic partnership certification form shall result in a contractor being deemed non-
1060 responsive.

1061 (2) Exception and waiver. The provision of this section shall not apply where:

1078 comply with the requirements of this section.
- 1079 (3) For the purposes of this section, a domestic partner shall mean any two
1080 adults of the same or opposite sex, who have registered as domestic partners with
1081 the county pursuant to state or local law authorizing such registration, or with an
1082 internal registry maintained by the employer of at least one of the domestic partners.
1083 A contractor may institute an internal registry to allow for the provision of equal
1084 benefits to employees with a domestic partner who does not register their
1085 partnerships pursuant to a governmental body authorizing such registration, or who
1086 are located in a jurisdiction where no such governmental domestic partnership
1087 registry exists. A contractor that institutes such registry shall not impose criteria for

Sec. 23-16. Change Orders.

(a) Any change in the contract price, scope of work or time for completion of any project purchase following the award of a contract shall be by a written change order, approved and executed with the same formalities as the contract. However, the city manager may approve and execute change orders without city commission approval subject to the following limitations:

- (4) *Costs.* All costs accrued from a protest shall be assumed by the protestor.
- (5) *Authority to resolve protests.* The procurement director shall have the authority, subject to the approval of the city manager and the city attorney, to settle and resolve any written protest within 30 days after receipt of the written protest.
