## SECTION 3:            TERM

Except as provided in Section 15, the Franchise is hereby granted shall be for a period of fifteen (15) years from date stipulated in this Agreement.

SECTION 4:            ASSIGNMENT

A.        The Franchise hereby granted shall not be leased, assigned or otherwise alienated or disposed of except with the prior express written consent of the City, which shall not be unreasonably withheld or unduly delayed. No assignment shall be allowed without the assignee assuming the terms of the Franchise Agreement with the City.

B.        Notwithstanding the foregoing, the Company may, without the consent of the City, lease, assign or otherwise alienate and transfer this Franchise in connection with the lease or sale of the Distribution System or upon its merger or consolidation with, or transfer to, a corporation engaged in similar business (including an affiliate or subsidiary of the Company), or pledge or mortgage of such Franchise in connection with the physical property owned and used by it in the operation of the Distribution System for the purpose of securing payment of monies borrowed by the Company.

SECTION 5:            CITY COVENANT

As a further consideration for this Franchise Agreement, the City covenants and agrees that it will not, during the term of this Franchise Agreement or any extension thereof, engage in the business of distributing or selling Natural Gas within the corporate limits of the City, as modified, during the term of this Franchise Agreement.

SECTION 6:            USE OF STREETS

The Distribution System shall be erected, placed, or laid in such manner as will, consistent with necessity, least interfere with other public uses of the Rights-of-way, and said Rights-of-way shall not be unnecessarily obstructed, and before, except in an emergency situation, the Company makes any excavation or disturbs the surface of any of the Rights-of-way, it shall make application for a permit to the appropriate City authority. The City shall issue,

or if applicable deny, permits within ten (10) business days of application by the Company. The Company shall, with due diligence and dispatch, place such Rights-of-way in as good a condition as before such excavation or disturbance was made; provided, however, that should the Company fail, within ten (10) days of its receipt of written notice from the City, to restore such Rights-of-way, whether due to relocation, removal, disconnection, alteration or otherwise, then the City may undertake such restoration (other than any restoration work on the Distribution System) and charge the reasonable cost thereof to the Company.

To the extent consistent with Florida law, the Company hereby agrees to abide by all the rules and regulations and ordinances which the City has passed or might pass in the future, in the exercise of its police power, and further agrees to abide by any established policy which the City or its duly authorized representative has passed, established, or will establish, in the exercise of its police power, if necessary under the City's Police powers, or to otherwise protect the public health, safety and welfare; provided, however that the City shall not pass any ordinance or regulation that results in a material change in the rights or obligations of the Company under the Franchise Agreement.

The Company's facilities shall be installed or relocated, whichever is applicable, in the Rights-of-way so as to cause a minimum of interference with the utilization of the Rights-of-way of or by the City. Accordingly, the Company shall abide by the City's permitting procedures and restrictions.

#### SECTION 7:            MAINTENANCE

All such components of the Distribution System of the Company located within the City shall be installed and maintained in accordance with accepted good practice and in accordance with the orders, rules, and regulations of the Florida Public Service Commission.

SECTION 8:            LAYING OF PIPE

All components of the Distribution System shall be laid consistent with all applicable codes, rules, regulations and laws, including, to the extent consistent with all applicable codes, rules, regulations and laws, specifications contained in City permits.

SECTION 9:            CONSTRUCTION WORK

The City reserves the right to permit to be laid electric conduits, water and gas pipes and lines, cables, sewers, and to do and permit to be done any underground work that may be deemed necessary or proper by the City in, across, along, or under any Rights-of-way. Whenever, by reason of establishing a grade or by reason of changes in the grade of any Rights-of-way, or by reason of the widening, grading, paving, or otherwise improving present or future Rights-of-way, or in the location or manner of construction of any water pipes, electric conduits, sewers, or other underground structure located within the Rights-of-way, it shall be deemed necessary by the City to remove, relocate or disconnect any portion of the Distribution System of the Company hereto for such public purpose, such removal, relocation or disconnection shall be made by the Company as ordered in writing by the City without claim for reimbursement. If the City shall require the Company to remove, relocate or disconnect any portion of its Distribution System or in any way to alter the placement or location of the Distribution System, to enable any other Person to use said Rights-of-way of the City, as part of its permitting or approval process, the City shall require the Person desiring or occasioning such removal, relocation, disconnection or alteration to reimburse the Company for any loss, cost or expense caused by or arising out of such removal, relocation, disconnection or alteration of any portion of the Distribution System. The Company further agrees that it will not intentionally interfere with, change, or injure any

water pipes, drains, or sewers of said City unless it has received specific permission from the City or its duly authorized representative.

Notwithstanding any provisions herein to the contrary, in the event the City reasonably determines a repair or replacement of any Rights-of-way, or other appliances of the Company to be an emergency, the City shall first notify the Company that such repair or replacement is an emergency and the Company shall make such repairs and replacements as soon as practical, or the City may do so, and the Company shall reimburse the City as provided in Section 6.

SECTION 10:            FRANCHISE FEE

Subject to Section 11 below, within thirty (30) days after the close of the first full billing month following the effective date of this Franchise Agreement, and each month thereafter during the term of this Franchise Agreement, the Company, its successors or assigns, shall pay to the City, or its successors, a sum of money which, when added to the amount of all taxes, licenses, permits, or other impositions levied or assessed by the City and actually paid by Company, is equal to six percent (6%) of the Company's Gross Revenue, less any adjustments for uncollectable accounts, from the sale, transportation, distribution or delivery of Natural Gas to Customers (other than customers that are City facilities that use and/or receive natural gas) in the corporate limits of the City. The City will not be invoiced and/or pay the franchise fee for any City facility that uses and/or receives/sold natural gas, and, at the Company's request, the City shall identify such facilities to Company.

The franchise fee payment shall be deemed paid on time if post-marked within thirty (30) days of the close of the preceding billing month.

SECTION 11:            IDENTIFICATION OF CITY RESIDENTS

No less than thirty (30) days prior to the Effective Date, the City shall deliver to the Company such information (including City limit streets and block numbers) as is needed by the Company to determine which of its customer are located within the City limits. The City shall also provide such information no less than thirty (30) days prior to the effectiveness of any

change in said limits, whether by addition, annexation or consolidation, or upon the Company's request. The Company shall be relieved of any obligation to pay franchise fees under Section 10 to the extent the City has failed to provide information in accordance with this Section 11.

SECTION 12:            ACCOUNTS AND RECORDS

The Company shall maintain accounting, maintenance, and construction records as prescribed by the FPSC. The Company shall establish and maintain appropriate accounts and records in such detail that revenues within the corporate limits of the City are consistently declared separately from all other revenues, and such records shall be maintained within the State of Florida. Upon request by the City, or its designated representative, and execution of a confidentiality agreement reasonably satisfactory to the Company, the Company shall make available said records within thirty (30) days to the City for the determination of the accuracy of the Gross Revenues upon which the Company's franchise fee is based. The Company shall maintain its billing records only for the period of time required by the FPSC and any examination conducted after such period shall be confined to the billing records then available.

SECTION 13:            INSURANCE

During the term of this Franchise, the Company shall file with the City Clerk and shall keep in full force and effect at all times during the effective period hereof, insurance certificates evidencing a general liability insurance policy or policies or evidence of self-insurance within the corporate limits of the City, as they currently exist or may exist in the future. Each such policy shall be in the minimum sum of \$1,000,000.00 for injury or death to any one person, and in the minimum sum of \$5,000,000.00 for injury or death to all persons where there is more than one person involved in any one accident, and in the minimum sum of \$1,000,000.00 for damage

to property, resulting from any one accident, and each of the said minimum sums shall remain in full force and shall be undiminished during the effective period of this Ordinance. The coverage requirements set forth in this Section 13 may be satisfied, in whole or in part, with self-insurance. However, self-insurance shall not exceed one percent (1%) of the net worth of the Company.

Every such insurance policy shall contain a provision whereby every company executing the same shall obligate itself to notify the clerk of the City, in writing, at least thirty (30) days before any material alteration, modification, or cancellation of such policy is to become effective.

#### SECTION 14: INDEMNIFICATION

In consideration of the permissions granted to the Company by this Franchise Agreement, the Company hereby agrees to indemnify and hold harmless the City, its officers, agents and employees from and against claims, suits, actions, and causes of action, to the extent caused by the Company's negligent operation of the Distribution System within the City during the term of this Franchise and resulting in personal injury, loss of life or damage to property sustained by any person or entity, through or as a result of the doing of any work herein authorized or the failure to do work herein required, and including all reasonable costs, attorney's fees, expenses and liabilities incurred by the City in connection with any such claim, suit or cause of action, including the investigation thereof, and the defense of any action or proceeding brought thereon and any order, judgment or decree which may be entered in any such action or proceeding or as a result thereof; provided, however, that neither the Company nor any of its employees, agents, contractor, licensees, or sublessees shall be liable under this section for any claims, demands, suits, actions, losses, damages, or expenses, including attorney's fees, arising out of the

negligence, strict liability, intentional torts, criminal acts, or error of the City, its officers, agents, or employees. The provisions of this section shall survive the expiration or earlier termination of this Franchise Agreement. Notwithstanding any provision herein to the contrary, the Company's liability under this Agreement shall be limited to the assets and business of Peoples Gas System, a division of Tampa Electric Company, as if Peoples were incorporated separate and apart from Tampa Electric Company.

SECTION 15:            TERMINATION BY CITY

Violation by the Company of any of the covenants, terms, and conditions hereof, or default by the Company in observing or carrying into effect any of said covenants, terms and conditions, shall authorize and empower the City to declare a termination of this Franchise Agreement; provided, however, that before such action by the City shall become operative and effective, the Company shall have been served by the City with a written notice setting forth all matters pertinent to such violation or default, and describing the action of the City with respect thereto, and the Company shall have had a period of sixty (60) days after service of such notice, or, in the event such cure reasonably requires a period of more than sixty (60) days, sixty (60) days to present a plan, reasonably satisfactory to the City, to effect such cure; and provided further that any violation or default resulting from a strike, a lockout, an act of God, or any other cause beyond the control of the Company shall not constitute grounds for termination.

SECTION 16:            CHANGES IN PROVISIONS HEREOF

No changes in the terms and conditions hereof may be made to this Franchise Agreement unless made in writing and signed by both the City and the Company.

#### SECTION 17: PARITY

In the event the Franchisee enters into a franchise agreement with another Florida governmental entity in Miami-Dade, Broward or Palm Beach Counties, under which franchise fees are based upon a percentage of gross revenue that is higher than six percent (6%) of Franchisee's sales, transportation, distribution or delivery of natural gas to customers under such franchise, then the percentage basis of the Franchise Fee used in this Franchise shall be adjusted to provide for a Franchise Fee that equals the value of franchise fees that would result in the event that the percentage used in such other franchise agreement were applied to the Gross Revenues less any adjustments for uncollectible accounts, from the sale, transportation, distribution or delivery of natural gas to customers in the City and such adjustment shall be effective as of the first day of the month following the commencement date of the franchise for such other Florida governmental entity.

If, during the term of this Franchise Agreement, the City, by franchise agreement or ordinance, allows other gas providers, gas consumers or gas transporters ("Alternate Gas Providers") the right, privilege or franchise to construct, maintain, operate or use gas facilities in, under, upon, over or across the present or future streets, alleys, bridges, easements or other public Rights-of-way of the City for the purpose of supplying or delivering Natural Gas to customers located within the corporate limits of the City or receiving such gas from a person other than the Company within such corporate limits, and imposes a franchise compensation obligation or an equivalent on such Alternate Gas Provider for any customer or class of customers that is less than that imposed with respect to the same Customer or class of Customers under this Franchise Agreement, the franchise compensation rate and/or base to which such rate is applied with respect to the same class of customers shall be reduced under this Franchise Agreement so that the franchise compensation paid hereunder for such Customer class is no

greater than the franchise compensation payable by such Alternate Gas Provider under the franchise agreement or ordinance applicable to it, when compared on a dollars-per-therm basis. In the event that the City determines not to impose any franchise compensation by agreement, ordinance or otherwise on any such Alternate Gas Provider, the Company's obligation to pay a franchise fee under this Franchise Agreement with respect to revenues derived from the provision of service by the Company to the comparable class of customers served by such Alternate Gas Provider thereafter shall be extinguished.

SECTION 18:            WAIVER OF JURY TRIAL

Each party hereby waives its right to trial by Jury.

SECTION 19:            SEVERABILITY; CHANGE IN LAW

(A) If any section, part of a section, paragraph, sentence, or clause of this Franchise Agreement shall be adjudged by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of any other portion hereof, but shall be restricted and limited in its operation and effect to that specific portion hereof involved in the controversy in which such decision shall have been rendered; provided, however, that should elimination of the specific portion of the Franchise Agreement adjudged to be invalid results in significant adverse consequences to a party, then that party may terminate this Franchise Agreement by providing thirty (30) days written notice to the other party.

(B) Upon the issuance by a court of competent jurisdiction of an order, ruling, or decision, or the enactment or adoption by the Florida Legislature, the City or any other governmental or regulatory body, of a law, rule, regulation or ordinance, that materially diminishes a municipality's ability to exact franchise fees from a utility, or that effectively does away with the ability of a municipality to grant a franchise altogether, then the Company or City

may terminate this Franchise Agreement by providing ninety (90) days written notice to the other party.

**SECTION 20: GOVERNING LAW**

This Franchise shall be governed by the laws of the State of Florida and applicable federal law, with venue exclusively within Broward County, Florida.

**IN WITNESS WHEREOF**, the parties hereto have executed this instrument the day and year first above written.
