Please note my strong support for this resolution.

With this resolution Hallandale will stand strongly in the right side and on the side of truth At a time when so many are shaming themselves by spreading blood libels and worse about Israel and the IDF, Hallandale is standing with the truth and supporting a people who are under non-stop attack! G-d bless this commission and thank you for voting yes, doing the right thing and setting an example for other cities to follow!

I fully support the City of Hallandale Beach's Resolution 12D. Jews and Christians are specifically targeted in the Hamas Charter, and after the atrocities we have seen, we have reason to believe them. As a Hallandale Beach resident, Please send out the message that the City of Hallandale Beach is a safe city for the Jewish community. And that we stand on the side of righteousness that we stand with Israel,

As the global Jewish community is witnessing a second Holocaust before their eyes, and the State of Israel faces the fight of her existence, I am on full support of Resolution Item 12D. There is no two sides to this unimaginable massacre. One is either with Israel or with Hamas! Jews and Christians are specifically targeted in the Hamas Charter and after the atrocities I have seen we have reason to believe them. Please send out the message that the City of Hallandale Beach is a safe city for the Jewish community.

Thank you.

I fully support the City of Hallandale Beach's Resolution 12D.

There is no debate of the reasoning of one side vs another here. The State of Israel is righteous and a protector of life. Hamas is a terrorist organization composed of monsters.

The City of Hallandale Beach needs to continue to stand with the State of Israel and with the IDF.

Hallandale Beach has been protective of the Jewish community with police and security measures, and needs to continue to do so.

When Good stands together, Evil will always be defeated.

Thank you in advance for voting yes to this resolution. Light will always prevail over darkness. Even a small light of truth and goodness over falsehood and evil. We can each do our part by adding in random Acts of goodness and kindness with the next person we meet. Moshiach Now!

After recently attending the candlelit vigil in front of City Hall, I feel even more compelled to express my deep concern. The global Jewish community is confronting immense challenges, and the State of Israel is facing grave threats. I wholeheartedly support Resolution Item 12D. The situation is dire, and there should be no ambivalence about such large-scale violence. The Hamas Charter specifically mentions Jews and Christians, and considering the distressing incidents we've witnessed, these threats are hard to dismiss. I urge you to send a clear message that the City of Hallandale Beach stands as a safe haven for the Jewish community.

It would seem like an obvious position for any American to support Israel as it fights to support their democratic country where Jews Christians Muslims and other religions live in peace together while being cowardly attacked by terrorist group Hamas that live of killing and destruction and look to create a division and separation in the world where the vast majority of Jews and Muslims live, work and cherish freedom united.

Please make your voice heard and unequivocally reaffirm our community's commitment to freedom and love for each other respecting and embracing religious and cultural diversity as our ally Israel does and say NO to hatred and terrorism that Hamas-Isis and other terrorist groups represent.
