Re: Approval of ODP BSD, LLC Renewal Option – Agreement Amendment #2

Recommendation:

I recommend approval of the City's four (4) year renewal option for the current Agreement with ODP Business Solutions, LLC for Office Supplies to be used by the City and members of the Southeast Florida Governmental Purchasing Cooperative as well as the national OMNIA Partners Cooperative.

Issue: The City currently holds a contract for office supplies on behalf of the City, the Southeast Florida Governmental Purchasing Cooperative and OMNIA Partners with ODP Business Solutions, LLC. The Agreement originally awarded to the firm as Office Depot, and then assigned to the independent company, Office Depot Products Business Solutions Division, LLC known as ODP BSD has a single four (4) year renewal option which staff recommends be approved for the period October 14, 2023 through October 13, 2027.

Background:

The City of Tamarac City Commission awarded the City's Office Supply Agreement to Office Depot, Inc. via Resolution R-2019-76 at its July 10, 2019 City Commission Meeting. The Agreement provides for Office Supplies for the City, for the Southeast Florida Governmental Purchasing Cooperative, and the City serves as the lead agency for OMNIA Partners, Public Sector on a national basis as a result of a competitive solicitation process under the City's RFP #19-12R. Through OMNIA Partners, the total spend on this agreement was \$87 million nationally. The Agreement is in place through October 13, 2023, and includes an additional four (4) year renewal option. The City Commission, by passage of Resolution R-2019-76 authorizes the City Manager or designee *"to approve and accept renewal options and other contract amendments pursuant to the requirements of the Agreement"*.

During 2022, Office Depot realigned their corporate structure and created two independent, publicly traded companies, each with a unique and highly focused strategy. Accordingly, ODP moved forward with the realignment of their Business Services Division as an independent company which fully focuses on Business-to-Business clients like the City and the related cooperatives which we represent under this Agreement. As a result of that decision, the company requested that the City assign all interests in that Agreement to the firm handling Business-to-Business clients, Office Depot Products Business Solutions, LLC, known as ODP Business Solutions, LLC which was completed on April 12, 2022.

Fiscal Impact:

During FY22, the City spent \$75,062.81 with Office Depot for our Office Supply needs. Our Agreement with OMNIA Partners, however, provides that the City receives a rebate on the full national spend on our Office Supply Agreement solicited by the City, we received rebate revenue of \$74,848.10. Furthermore, total revenues received from OMNIA partners during the current term of this Agreement have exceeded a quarter of a million dollars at \$268,545.69 to date as shown in the table below.

PERIOD	REBATE REVENUE RECEIVED
FY 22	\$75,848.10
FY 21	\$62,414.43
FY 20	\$60,664.36
FY 19	\$69,618.80
TOTAL REVENUE TO DATE	\$268,545.69

Stat. or the provisions of this section shall terminate the contract with the person or entity. City, upon good faith belief that a subcontractor knowingly violated the provisions of this section; but ODP otherwise complied, shall promptly notify ODP and ODP shall immediately terminate the contract with the subcontractor. An agreement or contract terminated under the provisions of this section is not a breach of contract and may not be considered such. Any agreement or contract termination under the provisions of this section may be challenged pursuant to Section 448.095(2)(d), Fla. Stat. ODP acknowledges that upon termination of this Agreement by the City for a violation of this section by ODP, ODP may not be awarded a public contract for at least one (1) year. ODP further acknowledges that ODP is liable for any additional costs incurred by the City as a result of termination of any contract for a violation of this section. **RE: Temp. Reso. #13307 Office
Supplies**

Recommendation:

Award an Agreement to Office Depot, Inc. to provide Office Supplies to the City, and the members of the Southeast Florida Governmental Purchasing Cooperative (Co-Op) and the Omnia Partners, LLC national consortium based on pricing received on Request for Proposal #19-12R for the period October 14, 2019 through October 13, 2023, and approving the termination for convenience of the current Agreement dated October 18, 2016 for the period from October 14, 2019 through October 17, 2019.

Issue:

The City is in need of an agreement for the purchase of office supplies for the City and the members of the Co-Op, with an estimated value of \$100,000 for the City, and an aggregate value of \$4 million for the Co-Op, and up to \$49.8 million annually for all members of the Omnia Partners, LLC national consortium.

Background:

The Current Office Supply Agreement with Office Depot is set to expire on October 17, 2019. The City of Tamarac acts as the lead agency for the Co-Op for the procurement of office supplies. Since 2016, the City has also been the lead agency for the Omnia Partners, LLC (formerly National IPA) national consortium, which includes members from across the United States.

The City issued Request for Proposal # 19-12R on March 5, 2019 which was advertised in the South Florida Sun Sentinel, and online through the City's Bids and Tenders solicitation management web-site, as well as online through the DemandStar.com web-site. As a result of these efforts, 23 firms downloaded the RFP document, however, only two firms responded despite an active recruiting effort on the part of staff. We learned that some of the firms decided not to respond either because they already have a national contract through another consortium, or because they were unable to coordinate national distribution channels. The two (2) firms who submitted proposals which were due on May 9, 2019 were as follows:

Office Depot, Inc.	Boca Raton, Florida
The Office Cart, LLC	Fort Lauderdale, Florida

An Evaluation Committee was formed from public procurement professionals who are members of the Southeast Florida Government Co-operative, as well as the representative who serves as the project liaison for this contract from Omnia Partners, LLC who served in a strictly non-voting advisory role. The Evaluation Committee was chaired and facilitated by the City's Purchasing & Contracts Manager and members included procurement professionals from the cities of Coral Springs, Margate and Sunrise, as well as the Financial Services Purchasing and Contracts Division Procurement Coordinator.

Quantities utilized in this RFP were based on the actual historic usage of Co-Op agencies combined with the estimated quantities from across the nation through Omnia Partners, LLC, and included approximately 500 of the top utilized items, known as “core” items, which were the primary items evaluated in the pricing component. Additionally, the City requested pricing for approximately 2,500 items which are representative of the types of product groups that have been purchased across the nation by members of the Omnia Partners, LLC national consortium. These items are referred to as “market basket” items since they reflect a diverse mixture of the types of items commonly ordered.

The Evaluation Committee convened on May 30, 2019, and evaluated the two proposals against criteria for pricing (50% of the weighted value) and qualifications, availability of items and services provided (also 50% of the weighted value). As a result of this review, the Committee determined that the proposal submitted by Office Depot, Inc. best met the requirements of the City and the Co-op, as well as Omnia Partners, LLC.

Based on the national quantities provided in the bid, the following aggregate pricing was received.

Proposer	Core List	Market Basket	Aggregate	Items NOT Priced
Office Depot	\$23,996,412.27	\$25,835,379.48	\$49,831,791.75	None
The Office Cart	\$44,644,182.38	\$27,862,783.23	\$72,506,965.61	Core: 60; Market Basket: 460

Office Depot also provided category discounts for several categories of supplies, equipment and furniture not included in the core or market basket list as requested by the RFP document. Representative discounts include percentage off of list price discounts of 62% for other office consumables, 75% for white recycled and virgin copy paper, 78% for palletized paper, 60% for toner for re-manufactured toner, which the City has used extensively, 43% for original equipment manufacturer (OEM) toner, 69% for folders, binders and writing instruments, and several other category discounts. The Office Cart did not provide any specific category discounts beyond their core and market basket pricing as requested by the proposal document issued by the City.

Office Depot has been successfully providing service to the members of the Co-Op for over fifteen (15) years. The proposal includes requirements for multiple value-added services such as on-line ordering and next day delivery with easy returns, which have become standard in the marketplace within the past few years; however Office Depot has also provided some additional value-added services including their print and copy services, interior design services for furniture and managed print services, but most importantly they guarantee a 98% order accuracy rate, and a 99.5% price accuracy rate, which is professionally audited on a quarterly basis by a third-party independent accounting firm. The current firm being used by Office Depot to perform this function is Price Waterhouse Coopers, LLC.

Since the inception of our partnership with Omnia Partners, LLC (formerly National IPA) our contract has become the “go-to” contract for the K-12 market and Office Depot provides such diverse materials including materials that assist in curriculum development as well as assessment tools; and featuring a wide range of course material for classroom training up to the college level.

Office Depot has also established multiple sustainability programs including offering numerous environmentally “green” products.

Another part of the overall sustainability efforts by Office Depot, includes the pro-active utilization of minority / women-owned and disadvantaged businesses both as suppliers of office supply materials (Tier 2 Suppliers), and to provide other services under the Agreement in partnership with Office Depot (Tier 1 Suppliers). This program allows for M/WBE and DBE suppliers to take an active part in the Agreement providing product fulfillment and other services to participating entities. An entity taking part in this program will pay an additional percentage fee for their office supply purchases to fund this activity. The typical fee is about ten percent (10%) of the product cost but is open to negotiation between Office Depot, the Tier 1 Supplier, and the requesting entity. Office Depot maintains a

dedicated Vendor Development Team tasked with empowering diverse suppliers by raising their capabilities to generate greater spend. This team was responsible for generating \$121.6 million in spend during 2018, with over \$3.5 billion in spend generated since the inception of their program in 1999.

As a means of preparing for potential emergencies, this proposal was solicited in conformance with the Procurement Standards of federal requirements 2 CFR Part 200 in order to make purchases under this Agreement during a federally declared emergency eligible for reimbursements by FEMA or other grant agencies.

Finally, staff wishes to exercise our right to terminate the existing Agreement dated October 18, 2016 for the period from October 14, 2019 through October 17, 2019 in order to effectuate a more efficient implementation of the Agreement for Office Depot, Inc. October 18, 2019 falls on a Friday, and Office Depot, Inc. has requested that they be able to utilize a weekend to load required documentation into their IT system to start on a Monday morning.

Fiscal Impact:

Pricing on the new Agreement is fairly similar to the current pricing being paid by the City and the Co-Op. It is anticipated that the City will expend approximately \$100,000 annually. Each City department is funded for office supply expenditures. The more important impact, however, is that Omnia Partners, LLC will pay the City of Tamarac a commission of 6.9% of the administrative fee that the supplier pays to Omnia Partners. The most recent check for 2018 was for approximately \$62,000. We will receive this payment annually.

REQUEST FOR PROPOSAL

RFP 19-12R

OFFICE SUPPLIES, PRODUCTS AND RELATED SERVICES

Definition: A Request for Proposal (RFP) is a method of procurement permitting discussions with responsible Offerors and revisions to proposals prior to award of a contract. Proposals will be opened in private. Award will be based on the criteria set forth herein.

I. INTRODUCTION

The City is soliciting proposals as the lead agency on behalf of the City of Tamarac, participating agencies of the Southeast Florida Governmental Purchasing Cooperative and OMNIA Partners, to obtain the services of a qualified firm to provide and deliver office supplies on a just-in-time basis.

A. NATIONAL CONTRACT

City of Tamarac, Florida, as the Principal Procurement Agency, defined in Attachment B, has partnered with OMNIA Partners to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The City of Tamarac is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency"). Attachment B contains additional information about OMNIA Partners and the cooperative purchasing agreement.

The City anticipates entities in the Southeast Florida Governmental Purchasing Cooperative will access the resulting contract. For the past several years, approximately forty- five (45) government entities have participated in Cooperative Purchasing in Southeast Florida. The Southeast Florida Governmental Purchasing Cooperative was formed in an effort to provide cost savings and cost avoidances to all entities by utilizing the buying power of combined requirements for common, basic items. The government agencies participating in the particular procurement and their respective delivery locations are listed in the document.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners' public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting

process continues to be the foundation on which we operate. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formally, Novation), OMNIA Partners leverages over \$100 billion in annual supply spend to command the best prices for products and services. With corporate, pricing and sales commitments from the Supplier, OMNIA Partners provides marketing and administrative support for the Supplier that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Supplier benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Supplier's need to respond to additional competitive solicitations. As such, the Supplier must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Supplier and respond to the OMNIA Partners documents (Attachment B).

The City of Tamarac anticipates spending approximately \$4,240,000 over the full potential Master Agreement term for office supplies, products and related services. While no minimum volume is guaranteed to the Supplier, the estimated annual volume of office supplies, related products and services purchased under the Master Agreement through OMNIA Partners Public Sector is approximately \$500M. This projection is based on the current annual volumes among the City of Tamarac, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Supplier and OMNIA Partners.

OMNIA PARTNERS EXHIBIT - EXHIBIT A- RESPONSE FOR NATIONAL COOPERATIVE CONTRACT

1. Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The City of Tamarac, Florida (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector ("OMNIA Partners"), is requesting proposals for PRODUCT. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part

of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

- A. Marketing collateral (print, electronic, email, presentations)
- B. Website
- C. Trade shows/conferences/meetings
- D. Advertising
- E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

- A. Individual sales calls
- B. Joint sales calls
- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Suppliers are required to pay an administrative fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately \$500M annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly.

Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

1.5 Objectives of Cooperative Program

- B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;

EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF OMNIA PARTNERS IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TERM OF AGREEMENT; TERMINATION

8. This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the provisions of Sections 3 – 8 and 12 – 23, hereof and the indemnifications afforded by the Supplier to OMNIA Partners in the Master Agreement, to the extent such provisions survive any expiration or termination of the Master Agreement, shall survive the expiration or termination of this Agreement.

9. Supplier's failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Principal Procurement Agency to terminate the Master Agreement shall constitute a material breach of this Agreement. If such breach is not cured within thirty (30) days of written notice to Supplier, in addition to any and all remedies available at law or equity, OMNIA Partners shall have the right to terminate this Agreement, at OMNIA Partners' sole discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Master Agreement.

NATIONAL PROMOTION

10. OMNIA Partners and Supplier shall publicize and promote the availability of the Master Agreement's products and services to Public Agencies and such agencies' employees. Supplier shall require each Public Agency to register its participation in the OMNIA Partners program by either registering on the OMNIA Partners website (www.omniapartners.com/publicsector) or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency's first sales order. Upon request, Supplier shall make available to interested Public Agencies a copy of the Master Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases.

11. Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Master Agreement, including assisting in development of marketing materials as reasonably requested by Principal Procurement Agency and OMNIA Partners. Supplier shall be responsible for obtaining permission or license of use and payment of any license fees for all content and images Supplier provides to OMNIA Partners or posts on the OMNIA Partners website. Supplier shall indemnify, defend and hold harmless OMNIA Partners for use of all such content and images including copyright infringement claims. Supplier and OMNIA Partners each hereby grant to the other party a limited, revocable, non-transferable, non-sublicensable right to use such party's logo (each, the "Logo") solely for use in marketing the Master Agreement. Each party shall provide the other party with the standard terms of use of such party's Logo, and such party shall comply with such terms in all material respects. Both parties shall obtain approval from the other party prior to use of such party's Logo. Notwithstanding the foregoing, the parties understand and agree that except as provided herein neither party shall have any right, title or interest in the other party's Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's Logo.

ADMINISTRATIVE FEE, REPORTING & PAYMENT

12. An "Administrative Fee" shall be defined and due to OMNIA Partners from Supplier in the amount of ___ percent (___%) ("Administrative Fee Percentage") multiplied by the total purchase amount paid to Supplier, less refunds, credits on returns, rebates and discounts, for the sale of products and/or services to Principal Procurement Agency and Participating Public Agencies pursuant to the Master Agreement (as amended from time to time and including any renewal thereof) ("Contract Sales"). From time to time the parties may mutually agree in writing to a lower Administrative Fee Percentage for a specifically identified Participating Public Agency's Contract Sales.

13. Supplier shall provide OMNIA Partners with an electronic accounting report monthly, in the format prescribed by OMNIA Partners, summarizing all Contract Sales for each calendar month. The Contract Sales reporting format is provided as Exhibit C ("Contract Sales Report"), attached hereto and incorporated herein by reference. Contract Sales Reports for each calendar month shall be provided by Supplier to OMNIA Partners by the 10th day of the following month. Failure to provide a Contract Sales Report within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion.

14. Administrative Fee payments are to be paid by Supplier to OMNIA Partners at the frequency and on the due date stated in Section 13, above, for Supplier's submission of corresponding Contract Sales Reports. Administrative Fee payments are to be made via Automated Clearing House (ACH) to the OMNIA Partners designated financial institution identified in Exhibit D. Failure to provide a payment of the Administrative Fee within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, or its designee, in OMNIA Partners' sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners receives such report. In addition, OMNIA Partners may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners at the location designated by OMNIA Partners. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners' reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners' costs and expenses related to such audit.

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (this “Agreement”) is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate (“Principal Procurement Agencies”) with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners Public Sector (“OMNIA Partners”) to be appended and made a part hereof and such other public agencies (“Participating Public Agencies”) who register to participate in the cooperative purchasing programs administered by OMNIA Partners and its affiliates and subsidiaries (collectively, the “OMNIA Partners Parties”) by either registering on a OMNIA Partners Party website (such as www.omniapartners.com/publicsector or www.nationalipa.org or any successor website), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into “Master Agreements” (herein so called) to provide a variety of goods, products and services (“Products”) to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.
2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency’s procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies’ participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(h), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable

“safe harbor” regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.

6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization (“GPO”) agreements directly or indirectly by enrolling the Participating Public Agency in another GPO’s purchasing program, including but not limited to Vizient Source, LLC, Provista, Inc. and other OMNIA Partners affiliates and subsidiaries; provided the purchase of Products through a OMNIA Partners Party or any other GPO shall be at the Participating Public Agency’s sole discretion.

7. The Participating Public Agencies (each a “Procuring Party”) that procure Products through any Master Agreement or GPO Product supply agreement (each a “GPO Contract”) will make timely payments to the distributor, manufacturer or other vendor (collectively, “Supplier”) for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.

9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE NATIONAL IPA PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO

CONTRACT. THE NATIONAL IPA PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE NATIONAL IPA PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE NATIONAL IPA PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

12. This Agreement shall take effect upon (i) execution of the Principal Procurement Agency Certificate, or (ii) the registration on a OMNIA Partners Party website or the execution of this Agreement by a Participating Public Agency, as applicable.

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

DOC #4 DOC # 4 - C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. It is not intended to be provided to contractors. What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

The disclosure is required for all contracts in excess of \$17,500 that are not awarded pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).

Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. The form is worded to accept this alternate submission. The text should be amended if electronic submission will not be allowed.

The submission must be received from the contractor and on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.

The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.

The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.

A public agency using these forms should edit them to properly reflect the correct legislative district(s). As the forms are county-based, they list all legislative districts in each county. Districts that do not represent the public agency should be removed from the lists.

Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.

The form may be used “as-is”, subject to edits as described herein.

The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.

The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions.

NOTE: This section is not applicable to Boards of Education.

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - o of the public entity awarding the contract
 - o of that county in which that public entity is located
 - o of another public entity within that county
 - o or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”
